Dear Pedro

RE: 2008 NIKON INDY 300

On behalf of Hyder Consulting and Gold Coast Motor Events Co., thank you for delivering a highly successful 2008 Nikon Indy 300.

Bob and the team did a fantastic job over the duration of the event precinct build and their flexible, can-do attitude was evident in the smooth operation to produce what has been dubbed by many as the smoothest event operation to date.

We look forward to the prospect of furthering our existing relationship to deliver an even more successful event in 2009.

Best wishes for a very Happy Christmas and safe, prosperous New Year.

Yours sincerely
